Experienced in leading both small teams and individuals by utilizing collaboration, effective communication, coaching, and conflict resolution.

---

### WORK HISTORY **FIRST COOK, BOOM+BATTEN, VICTORIA, BC**

May 2019 –January 2021.

- Maintained and optimized the business' food costing and inventory through Optimum Control software. Accelerating menu production and internal audits on foodstuffs.
  - Addressed increased costs to the business through verbalized and written communication with the management team resulting in faster response times.
  - Collaborated on menu items both seasonally, and featured, focusing on local and sustainable.
  - Coached and familiarized new staff with the inner workings of the Forno station.
  - Orchestrated methods to maximize longevity of mise en place, ensuring successful day-to-day service.
-

---

**PROFESSIONAL ACHIEVEMENTS**    **INTERPROVINCIAL RED SEAL CERTIFICATION**  
Culinary Arts Red Seal (2014-2017)

---

**ONLINE COURSES**    Learn SQL – Codecademy (2022/01)  
Learn JavaScript – Codecademy (2022/01)

---

**INTERESTS**    In my spare time when I’m not expanding my knowledge base through online coursework or college, I take the time to enjoy our local sights through impromptu detours and hiking local trails.
